ABSOLUTELY PURE

IN THE YEAR MILLION.

Everybody Will Then Have a Fine Case of Swelled Head.

Look at the Fretty Picture Below and You Will See What the Human Baco Is Coming To-Gloomy Pros-

peets Abead. Somebody in the Pall Mall Budget has let his fancy take wings in the contemplation of the time when all of the 65,000,000 people in these United"

States will be anything but humanity This romances a theme is "The Man of the Year Million," and, judging from the accompanying picture, it will take about that long to complete the change. There is comfort in the thought that there is some little time shead for good-looking fellows.

In his introduction this writer says

Accomplished literature is all very vell in its way, but much more faseinating to the contemplative man are the ooks that have not been written. These latter are no trouble to hold; there are no pages to turn over. One can read them in bed on sleepless nights without a candle."

One of the unwritten volumes is a big book by Irof, Holzkopf, of the University of Weissnichtwo, on "The Nec-Top Salvation Army has secured a Remote Future, Deduced from the Ex-
